Blessing of Families-Sunday, December 30th

One of the great traditions of Scripture is that of family. We regularly read about families traveling together, welcoming other families, being blessed by God in their endeavors, and more. As we move to the end of 2018 and the opening of 2019 it is imperative that each of our families hear those words of blessing. "Family" can be defined as you choose. Family can be a single person, several single persons who consider each other to be family, a traditional family, or maybe a single parent and her/his children. Regardless, God stands willing to offer God's blessing as we move forward into God's future. Sunday, December 30 is the date for the Blessing Service. Gather your in-laws and out-laws and come hear the words of God's blessing for your family.

POP Community News!

Progress! The Infant Care Building Project is in full construction mode in the education building- (where the Church offices will be relocating to). For your (and the crews) safety, please do not go into the Education building (rooms 14-18) until further notice. You can follow the construction activity on POP's website in next coming weeks. Any questions please see Steve Edgar.

Blessing of Families-Today

One of the great traditions of Scripture is that of family. We regularly read about families traveling together, welcoming other families, being blessed by God in their endeavors, and more. As we move to the end of 2018 and the opening of 2019 it is imperative that each of our families hear those words of blessing. "Family" can be defined as you choose. Family can be a single person, several single persons who consider each other to be family, a traditional family, or maybe a single parent and her/his children. Regardless, God stands willing to offer God's blessing as we move forward into God's future. Sunday, Dec 30 is the Blessing Service. Gather your in-laws and out-laws and come hear the words of God's blessing for your family.

Wednesday Bible Study 9:30am in the choir room

Join us as Pastor Rick leads a lively discussion of the biblical texts that will be used the following Sunday. The conversation is lively, the coffee is strong and the laughter will warm your heart. Join us. Note: No bible study on January 2.

Save the Date for our annual Rock 'n Roll Water Station on January 20th! Contact Steve Edgar at 602.618.3364 or sledgar@gmail.com.
