## Do, Love, Walk

*“He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?” Micah 6:8*

These are interesting days to be a follower of Jesus. Perhaps a better word is challenging. Many of the Christians we see in the public square are emphasizing God’s law and teaching conformity to the current political order. Others are focused almost entirely on legislating social issues such as abortion, immigration and the growing polarity between rich and poor. In many instances, I find myself wondering how my faith fits with those who seem to have a majority of screen time representing Christianity. My conclusion? Most of the time my faith doesn’t fit. As a Lutheran Christian, I have been steeped in the reality of God’s grace for decades. Hearing commentators and preachers use the Bible to exclude and dehumanize others simply doesn’t make sense.

I believe we have an amazing opportunity to be an alternative voice of Christianity in our culture. The first step is to acknowledge that no single person, no matter how educated or vocal, has a monopoly on our faith. Each of us carries a perspective on how God works in our world based on the experiences we have accumulated over a lifetime. Each of our voices is important. As a church, we have a rich history of God’s love changing lives and softening hearts. We have much to contribute to the narrative of Christianity in our nation.

How might this work? We begin with action. Look at this amazing

verse from the prophet Micah. It is filled with action words. What does God require of us? We respond to God’s love by multiplying God’s love. We do justice. This means that we turn our attention to those who are in situations of injustice and actively seek solutions. We feed those who have no food. We comfort those who have been brought low. We shelter those who have no homes. We do so without regard to status or creed or background. I have watched several people hooked to microphones use the Bible to justify treating illegal immigrants as less than human. This is wrong. Doing justice begins with seeing all people as God’s people and acting accordingly.

We love kindness. For followers of Jesus, this must be our first instinct, not a last resort. We build people up instead of tearing them down. We seek to understand as often as we seek to be understood. We err on the side of delivering hope instead of ripping hope away. Many times, doing kindness means that we must sacrifice our impulse to win an argument. Doing kindness is a daily, even an hourly, endeavor. It is a mission we carry into every encounter. When we go out to eat, what is our goal? Is it simply to devour a meal or it is also to encourage those who serve us? Doing kindness requires setting higher goals.

We walk humbly with our God. This is perhaps the most difficult action to take. We do not pretend that we have God figured out. We forgive and seek forgiveness from others. We listen to others without defensiveness. We learn from those who are different from us. Most of all, we do not condemn others and leave judgment to God.

I believe it is time for our culture to see this type of Christianity once again. It will give those in our culture an alternative view of God than what many have seen and experienced. What an amazing time to be alive.

Peace to all,

*Pastor Rick*

# ***Celebration of Education***

***Sunday, August 12***

Calling all students! We invite you to bring your backpacks to worship and we will bless them and you as you start another school year.

## **Blessing of Teachers**

Calling all teachers! We invite you to bring yourselves to worship and we will bless you with special prayers as you start another school year. POP Preschool teachers will be introduced and commissioned.

A light brunch will follow. Don't miss this important Sunday.

# ***The Luther League***

## ***Fantasy Football Ministry for Saints and Sinners***

It's Year 2 of the Luther League. Each participant will have the opportunity to do all the things they love about fantasy football: draft a team, make trades, follow their players each week and engage in good-natured banter with weekly opponents. However, we are also offering a couple of twists. We have daily devotions! Plus, the Luther League will be filled with the people

you worship alongside each week. Think of it — you will have something awesome to talk about at coffee hour! To sign up, please contact the Luther League Commissioner, Pastor Rick ([pastorrick@popphoenix.org](mailto:pastorrick@popphoenix.org)). Deadline is August 31.

# ***Prayers for Healing***

***August 5 & 19***

Are you suffering in body, mind or spirit? Is someone in your life facing a difficult situation or challenge. POP offers healing prayers at the altar directly following the worship services on designated Sundays. We believe God brings healing to all who seek it. In the past nine months, we have seen some remarkable answers to the prayers we have offered. Be bold and take a risk. Come to healing prayer!

# ***Pastor Paul Returns***

On August 1, Pastor Paul Nelson officially returns to Prince of Peace. Let's shower him with notes of welcome and encouragement. You can drop those off in the office or in the offering plate on Sunday mornings.

THE MESSENGER is printed monthly for the purpose of informing members and friends of upcoming events, for sharing good news about our members and for sharing the Gospel of the Lord Jesus Christ through word and action.

## Preschool Expansion Update

*Submitted by Steve Edgar*

Drew Goodman has agreed to be our Project Manager. He is a godsend in terms of knowledge, efficiency and planning. We are truly blessed having him overseeing this project. Through Drew's guidance, the Infant Toddler Care Committee has selected the Phoenix- New York Company as our architects and Reliance Build, Inc. as our general contractor. We have had our initial meeting with them and are now working on the initial plans. We anticipate having the working plans ready for Council approval at the August Council meeting. We are also gathering information from the various groups that use our campus to be included in the remodel design, If anyone has any questions or information they think would be helpful, please contact Steve Edgar at either 602.618.3364 or sledgar@gmail.com.

### **Heaven's Very Special Child** *by Edna Massimilla*

*A meeting was held so far from Earth,  
It was time for another birth.  
The angels said to the Lord above—  
This special child will need much love,  
for progress may be very slow,  
accomplishment may never show.  
The special child will need much care  
from the people way down there.  
This child may not talk, run or play,  
and thoughts may seem so far away.  
In many ways will not try to adapt,  
known as 'disabled' and 'handicapped.'  
Please be careful where this one is sent,  
we want this child to be so content.  
O please, Lord, find the parents who  
will do a very special job for You.  
They will not realize right away  
the leading role that they have to play.  
But with this child sent from above  
comes stronger faith, and richer love.  
Soon they'll know the privilege given  
in caring for their gift from Heaven,  
Their precious child, so meek and mild  
is Heaven's very special child.*

# Preschool Summer Camp News

by Courteney Greenwell, Assistant Preschool Director

PRINCE OF PEACE  
LUTHERAN CHURCH AND PRESCHOOL

## Summer Camp News

What a wonderful summer we have had! July camp began with the theme "The Great American Road Trip." Children had red, white and blue fun incorporated through art, music and their snacks. We even had a fun patriotic parade around the campus and through the church office on Tuesday, July 3! We had a blast celebrating our country.

During Week 6 of camp, we continued exploring America through "road trips" throughout the country. Each class went to different landmarks and cities and explored all our country has to offer. On Wednesday, July 11, the Great AZ Puppet Theater came to campus and performed "Goldilocks."

The final two weeks were themed "Fine Arts Festival." Each child was led in creating a one-of-a-kind piece of artwork. These creations were put on display in our "art gallery" on Thursday and Friday, July 19 and 20, for all the parents to see. Our Art Show was a huge success! The children were so proud of their creations.

Summer Camp has flown by! We met many new families and had many of our POP families join us as well. We are so honored that we were chosen to care for and educate these young people.

## ***Katie Wunch Memorial Scholarship Fund***

As school begins in August, we often have requests for tuition assistance. The Katie Wunch Memorial Scholarship Fund provides short-term tuition assistance to preschool families who are going through financial difficulties. The scholarship fund is a tremendous blessing to families and allows children to continue to attend preschool while the family goes through difficult economic months. The scholarship account is funded through individual donors and fundraising events. If you would like to contribute toward this fund or sponsor a family for a few months, please designate your check to "Prince of Peace Preschool" and notate Katie Wunch in the memo line. Thank you!

## Wellness Committee

# Myasthenia Gravis

by Beth Schneider

There are many lesser known diseases that go unnoticed until one has personal experience with them. One such disease is myasthenia gravis (MG). Named in 1880, myasthenia gravis means "grave muscular weakness."

MG is an autoimmune disease that is the result of the body's immune system making antibodies that block or change some nerve signals to the muscles, causing the muscles to become weak. The muscles affected are voluntary muscles, the ones that we can control. Symptoms include weakness of arm or leg muscles, double vision, drooping eyelids (often one of the first symptoms), and difficulties with speech, chewing, swallowing or breathing. The clinical literature on MG seems to downplay debilitating effects of the disease compared to patient accounts of its effects on their lives.

The cause of MG has not been determined but research continues. Researchers believe that the autoimmune response may be triggered by a virus or bacteria. People of any age may be affected but it is more common in women younger than 40 and

men older than 60. There are some cases where the disease manifests itself in children but the juvenile-onset version tends to progress slowly and remission is common. MG is not hereditary. However, genetic susceptibility does seem to play a role. Factors that can worsen MG are fatigue, stress, illness and some medications such as beta blockers and some antibiotics and anesthetics. People with MG may be more likely to have other autoimmune conditions such as rheumatoid arthritis or lupus.

There is no cure for MG. Symptoms usually improve with rest. Some drugs can help improve nerve muscle communication while others prevent the body from producing so many antibodies. Different drugs tend to work for different people. However, the medications should be used with care because of the possibility of side effects. Even with treatment, symptoms tend to worsen over time.

For more information, contact the Myasthenia Gravis Foundation of America at [www.myasthenia.org](http://www.myasthenia.org).
